How to make out your order for Gove Gladiolus ... to get all you're entitled to

ON ORDER FORM write or type clearly and completely, mail as early as possible, preferably with payment in full.

PUT DOWN AN ENTRY from price list in each of the columns on order blank for each variety. (It helps us if you separate retail items from quantity items.)

OUR POLICY ON EXTRAS AND COUNT: On quantity orders we put in 5% extra count. On retail items tell us if you prefer extra count or other extras.

We put in some extras on all orders of \$3 or more except on collections. These are big value as is. No discount on collections except the 10% for fall orders.

On retail orders for bulbs or bulblets only, **if fully paid with order**, you get extras as follows: Order \$6.01 to \$10 and you get 10% extra in bulbs or bulblets. Order of \$10.01 to \$30.00 gets 15% extra, and over \$30.00 you get 20% extra. Indicate your preference on extras and we'll follow your wishes as closely as possible. These discounts do not include collections.

PAYMENT: Orders fully paid in advance save us time and expense and so earn most extras for you. But we'll ship retail orders C.O.D. if you wish, provided you send deposit of at least \$1 with order or 25% on orders of \$4.00 or more. Of course you also pay C.O.D. fee to postman on delivery, plus balance due on order. You save C.O.D. costs by paying in advance.

MINIMUM ORDER: We appreciate your courtesy in sending orders totaling \$3.00 or more, because

smaller orders cost so much to handle they eat up all the profit. It also helps very much if no single entry for a variety is less than 25c except in a few cases where priced lower. We cannot accept orders for 10 or 15 cent items.

SHIPPING CHARGES: Items ordered at **RETAIL** are shipped at our expense anywhere. Items ordered at quantity prices are shipped at **YOUR** expense. If order has both retail and quantity items, we ship at your expense but put in extras to make up for postage we don't have to pay (but if you prefer we **can** ship retail separate from quantity). See order blank for free \$2 bulb if **you pay postage** on retail orders.

HOW TO SHIP: On fair-sized orders express is safest, especially in cold weather. If order is frozen, express company is liable.

ACKNOWLEDGMENT OF ORDERS: We acknowledge each order by card or invoice promptly with an order number. **KEEP** it for future reference, and if you need to write us **PLEASE BE SURE** to give order number.

AIR MAIL: From a distance air mail may save you several days in getting bulbs. **But don't send** special delivery; we get regular mail faster.

ORDER EARLY: Though we have perhaps the largest assortment of glads anywhere in the world, we always sell out on some varieties. To be sure of getting your favorites, and of earning the 10% discount on paid bulb orders of \$5.00 or more, mail order by Dec. 31, 1954.

Maple Syrup

MAKES WONDERFUL CHRISTMAS PRESENT

We handle only the very best or Fancy grade of maple syrup and are selling it at a low price—\$7.00 per gallon, \$3.75 per ½ gallon and \$2.00 per quart, F.O.B. Grade A, which is a much inferior grade of syrup, is being sold here in Vermont for \$7.25 per gallon. If you want to send postage so we can prepay it, it will save C.O.D. charges.

Supply is very limited. The smallest crop in 10 years and other factors make syrup very scarce. When my present stock is gone, there will be no more at any price.

MARTINDALE PROTECTIVE MASKS

In cleaning bulbs there is always more or less dust which rises which to many people is very annoying. Some people can't work around the old bulbs at all because of this dust. To help such people I am offering the Martindale mask which is the simplest and cheapest mask of the sort that I have seen. Anyone who is at all bothered with the dust from bulbs or dust or fumes from anything else should certainly have one of these masks.

Price 75c prepaid; No. 1 refills, standard weight, per package of 25, 60c; No. 2 refills, double weight, package of 25, 75c.

STRAWBERRY the **NEW STRAFFORD**—VERY LATE

This is a grand variety that bears after the main crop is past its prime, about 2 weeks later than the mid season varieties. See my last catalog.

We can ship this fall till November. Fall planting would be best for southern and mid south growers as we can't ship in spring till mid April when it is too late for the plants to start well in Southern locations. Prepaid. Wonderful plants.

1-99 plants 15c each }
 100 or more plants \$10 per 100 } **Prepaid**
 Minimum order 15 plants }

"**Prospector** is the most beautiful color to appear in my 15 years of glad growing."
 —Don Keller, Pa.

"For over ten years I have bought new glads from you to add to my collection and in spite of last year's drought they managed to survive and produced as beautiful blooms as ever. They surpass by far anything I have ever bought to such an extent that I have long ceased to order elsewhere."
 —Mrs. F. B. Clifton, Jr., Maryland

75-CENT LONG SEASON SPECIALS

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually one or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size. I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price but you may be assured that you will get big value. **LEAVE IT TO ME.** We put in more medium and small than large bulbs. **DON'T ASK ME HOW MANY BULBS THERE ARE IN EACH SET. THEY VARY ACCORDING TO THE PRICE OF THE VARIETY. WE GIVE VERY GOOD VALUE.**

REMEMBER EACH 75-CENT SPECIAL IS ONLY ONE VARIETY AND NOT AN ASSORTMENT OF SEVERAL VARIETIES OR OF ALL OF THEM. Each special consists of various sizes of just **ONE VARIETY.** Select as many as you wish. But remember they are 75 cents for each one. Any **FIVE** lots for \$3.50. Any **TEN** lots for \$6.50 or any **FIFTEEN** for \$9.00. If you buy several lots I will put in something good for you to try out.

Special Collections and Sets

UNLABELED COLLECTIONS

The following collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections. **No extras on collections except as noted.** They are very big value as is. Shipped prepaid.

These unlabeled collections are better than ever this year, with many new varieties in them never used before. You would be amazed if you knew some of the varieties in the Deluxe and Super-Duper collections. Though prices have had to be raised in some cases, these collections are the same as in past years. Big Value.

EXTRA!! EXTRA!!

If you order \$25. worth of the collections I will put in free a bulb of a new 1956 Introduction, of my selection, worth \$2. Considering the special prices on the collections this is a real offer.

STAR COLLECTION No. 1. 100 assorted large bulbs ($1\frac{1}{4}$ inch up) in about 40 varieties in many different shades and colors. I get many repeat orders every year from well pleased customers. **100 for \$6.00, with 50 at the same rate, 30 for \$2.00.** With each 100 bulbs of this collection I will put in **FREE** 1 bulb of some other fine variety of my selection, labeled worth at least \$1.00.

PANSIES—OREGON GIANTS

Why not grow some pansies this year? We are florists and are always on the lookout for the very best to be had in every plant we grow and these Oregon giants are the best pansies we have found. Blossoms are huge with long strong stems, heavy foliage and wonderful colors.

For spring blooming when pansies are at their best sow in July or August, transplant them and they should begin to bloom in the fall and the next spring they will be at their best. If you have facilities to sow inside you can sow them in January or February and they will be fine for spring blooming. In some parts of the country you can plant in September or October but not in the north.

Last fall we had the largest and most gorgeous pansies I ever saw. They bloomed from September till December. We leave them out all winter and sell the plants in the spring. They bloom very early. There is a good profit in raising pansy plants for sale. Everyone likes pansies and they sell extremely well in early spring. One large grower in the south sows 10 lbs. a year. We have a good stock of seed now and expect to be able to furnish all your wants. Pansies can be planted now in the south or in the greenhouse for spring blooming in the north. We plant some in our greenhouse in January every year and then transplant to a cold frame in the spring. We get lots of compliments on our pansies. **Pkts of 500 seed \$1.00. ½ oz. \$6.00, 1 oz. \$12.00.**
